Hi Tom,

I hope you are doing well.

Some friends at the African Development Bank are apparently considering you for a consulting assignment and asked me if I knew you. My response is attached below. My sense is that you'll get the assignment. Keep me posted and good luck!!

Happy holidays to you and Olga.

Regards,

Al

I've known Tom Nastas for many years. I hired him on numerous occasions to work for me/with me on various World Bank projects and activities in ECA. His work and dedication are excellent. I recommend him highly and think you should have no qualms about working with him.

Al
